All:

It appears most parties are able to meet on Tuesday. Unfortunately, this is not possible for our office; however, we would be happy to participate in a conference call if this option is available. If not, we are available on Wednesday February 5th at 2. Thank you for including us in the discussion.

Respectfully,

Sloane Joseph, Captain I
Community Resilience Officer

We need your help to plan, and minimize the impact of these events on local residents. We need you to join us for "time sensitive" planning meeting. Please let us know which of these two days/times might work best for us to meet next week:
